Dropping Off and Picking Up Your Child

Tern, Piping Plover / 8:30am–12:00pm / 8:30am–3:00pm

TODDLER HOUSE

Drop-Off - Enter the campus through the Toddler Entrance. Pull in parallel to the parking lot immediately on your right. One of your child's teachers will be waiting by the door to the Toddler House. The teacher will come and get your child out of the car and take him/her to the classroom. Please remain in your car for the sake of efficiency. When it is safe to do so, drive to the bottom of the hill. Stop at the stop sign. After checking for other vehicles, turn right. You may exit the school through the exit driveway. Please be careful and slowly pass any cars that are dropping off at the Children's House.

Pick-Up - Follow the driving pattern above. A teacher will deliver your child to your car and put him/her into his/her child seat. However, due to liability issues, you must get out of your car and buckle your child into his/her child seat yourself.

Sandpiper, Osprey, Heron, Kingfisher / 8:30am–12:00pm / 8:30am–3:00pm

CHILDREN'S HOUSE

Here is how the Children's House classrooms are configured when you are looking at the building from the driveway: The upper left classroom is the Kingfisher Room. The upper right classroom is the Osprey Room. The lower left classroom is the Sandpiper Room. The lower right classroom is the Heron Room.

The classrooms on the upper level will drop off at the main foyer, which is the large, double door in the middle of the front of the building. The classrooms on the lower level will drop off at the smaller of the two foyers, which is the double doors to the left.

Kingfisher Room/Osprey Room drop off: please pull as far along the left side of the driveway as you can without running over the grass. Pull past the double doors of the main foyer in order to leave room for cars to pull in behind you. A teacher from either the Kingfisher Room or the Osprey Room will come and get your child and escort him/her from the car, into the building and into the classroom.

Sandpiper Room/Heron Room drop off: please pull as far along the left side of the driveway as you can without running over the grass. Stop in front of the double doors in front of the smaller lobby. A teacher from either the Sandpiper Room or the Heron Room will come and get your child and escort him/her from the car, into the building and into the classroom.

12:00 pick up: please follow the same directions as above. A teacher will bring your child to your car. Please, come out of your car and fasten your child's safety belt as our teachers may not do this for reasons of liability.

3:00 pick up: all Kindergartners will be picked up from the main lobby, and children from the Sandpiper Room and the Heron Room will be picked up from the smaller lobby (where they were dropped off in the morning). Please, come out of your car and fasten your child's safety belt as our teachers may not do this for reasons of liability.

Please remember that if you arrive late in the morning, you must go into the main office and sign your child in. It will then be necessary for you to deliver your child into his/her classroom. This means through the classroom door and to one of the classroom teachers, not just into the building. For the Sandpiper Room and the Heron Room, this will mean going down the stairs, which you may find easily by walking straight when you enter the building through the smaller lobby.
