Financial Aid

For information, please visit our website at www.bfarm.org, under the Admissions tab.

Enrollment Contract Return Policy

Securing accurate enrollment numbers by early spring allows us to be most effective in our planning for student placement and appropriate staffing. For the enrollment process, there is a financial incentive to return your contract(s) by the due date. If contracts are returned after the due date and there is space in the desired program, late contract returnees will pay an additional \$500 per contract.
