Specialist Schedule

As we approach the start of school, your child's specialist schedule will be shared directly by their classroom teachers.

All Children's House students participate in a rotating schedule of enriching specialist classes each week, including:

- **Agriculture**
- **Music**
- **Spanish**
- **Art**
- **Reading Round-Up**

Kindergarten | **Daily Schedule**

8:30-8:45 am	Arrivals
8:30 - 11:30 am	Work cycle and lesson time. Children move throughout the classroom, choosing materials and receiving one-on-one or group lessons from the lead teacher. Specialists give specialized instruction once per week in each CH class. Each Kindergarten student has a daily checklist of challenging work to complete during the Children's House work cycle. These activities may include writing, reading, spelling, math, and cultural work.
11:30 - 12:00 pm	Recess
12:00 pm	Dismissals for half-day students
12:00 - 12:30 pm	Lunch for full-day students
12:30 - 1:00 pm	Clean up - self and environment
1:00 - 2:55 pm	Kindergarteners come together in the afternoon with their same-aged peers from all classrooms. They focus on collaborative projects and on individual academic skills such as handwriting, spelling, and reading to prepare them for success in Elementary I. During this time, students have the opportunity for in-depth exploration of thematic units.
2:55 - 3:10 pm	Dismissals

Kindergarten students also enjoy a special afternoon program twice a week, featuring a rotation of:

- **Performing Arts Workshop**
- **P.E.**
- **Science Lab/ Agriculture**
- **Art**

These experiences are designed to spark curiosity and support whole-child development in joyful, hands-on ways.
